Dear Jill:

On behalf of the California Park & Recreation Society and the "Administrators Section" Board of Directors, I sincerely thank you for the presentation you conducted at the Administrators Institute on the topic "Moving From Visualization to Achieving Goals" and "Improving Your Impact Through Effective Communication". It was a pleasure having you take part in a learning experience held in high regard by park and recreation professionals in the state of California.

Again, thank you for your commitment to our Administrators Institute and for going the extra effort you demonstrated in conducting this training program.

Sincerely,

Leslie Fritz, CPRP  
Director of Education
