Dear Steve:

Thank you so much for the awesome job on our board retreat. It was our pleasure to have you join us at the Lake this past weekend.

Everyone enjoyed the retreat and I have had great comments from the attendees. I believe anytime we can play and learn together, it is time well spent.

Thank you again for sharing your time and your talents with KCMPI. We are so fortunate to have been exposed to your expertise and knowledge.

My best to you for a great summer!

Sincerely,

Vanessa Kane, CMP
