A LEGACY OF EDUCATION FOR THE DAIRY INDUSTRY

November 5, 2006

Dear Jill:

As participants of the Youth Leadership Derby, we would like to sincerely thank you for sharing your time and talent with us at the PDPW Youth Leadership Derby.

The Derby was a tremendous experience! We learned a lot from the leadership exercises you involved us in. We plan to share and use the skills and knowledge you taught us back in our local communities and schools.

In addition, we had a wonderful time meeting new people our age, throughout the state with similar interests – the networking time was very valuable.

We are excited about all the opportunities available to us in the dairy industry!

Thanks again for your support.
